Congratulations

I am so pleased to know that TBS Group Corporation is welcoming its 30th grand anniversary. On this special occasion, I would like to convey my sincere congratulations to CEO Dr. George Wood and TBS staff.

Led by its marvelous CEO, TBS has gone through painstaking efforts of establishing, vigorous exploiting and developing in the past 30 years and has got tremendous achievements. What is even more impressing is that TBS has been holding the fundamental belief of thanksgiving and has donated a lot for charity purpose. Please accept my heartfelt respect to Dr. Wood himself as well as his Corporation for your high speciality in the industry, the spirit of hardworking and seeking truth from facts, innovating and exploiting as well as your strong sense of CSR. Hope you will continue to carry out the spirit in your future development.

Thirty years is an image of maturity and strength. I wish that TBS will maintain its dynamic advancing trend in the present severe competition and achieve a better economic and social results. Wish you have a better future.
